

CONTRACT TO EXTEND THE WARRANTY UP TO 36 MONTHS

Lombardini Marine LTD with this formula ensures the manufactured engines and generators for a period of 36 months starting from the date of the first coupon.

The engine commissioning coupon that activates the 36 months warranty must be made no later than 6 months from the date of signing of this contract.

For engines or generators installed for business or commercial use, the 36 months warranty **may not be required** .

The 36 months warranty must be required at the time of engine or generator purchasing, **asking the implementation to your dealer**.

The 36 months warranty makes a provision for the user an engine commissioning coupon to be carried out by an authorized Lombardini Marine service who, once shown the suitability of the installation, will transmit the date of start to Lombardini Marine; involves also a number of periodic maintenance coupons (as reported on a special coupons booklet) to be always performed using an authorized Lombardini Marine service using original Lombardini Marine spare parts.

The costs for the coupons are at user's charge.

In the case of special applications involving considerable modifications to the cooling, lubrication, turbocharger, filtration, are subject to the special provisions of warranty expressly agreed in writing or as defined above in case you performed an approval test application issued by R&D of Lombardini Marine.

Within the above terms Lombardini Marine is committed directly or through its authorized service centers, to carry out the repair of its products free of charge if, in its judgment or the judgment of his authorized representative to be defective in conformity, manufacturing or material.

The list of workshops authorized by Lombardini Marine is available on the website www.lombardinimarine.com

The repair of a product will not renew or extend the duration of the warranty period.

Lombardini Marine covers costs for embark and disembark of the engine or the generator set or for hauling and launching of the Boat where necessary for repair under warranty up to a maximum of € 750.00; does not cover any towing or stop the boat charges, cost for accommodation and meals for stops arising by warranty repair of the engine or generator set, costs for dismantling and reassembly of different parts of the vessel necessary to enable the repair of the engine or the generator set. Lombardini Marine also does not recognize any claims for expenses for damages to persons or property and for any loss of earnings resulting from the stop period of the engine or generator set.

The obligations of Lombardini Marine in the 36 months warranty, are not valid in the case where:

- The engines or generator sets are not installed in accordance with the instructions given on the Lombardini Marine owner's use and maintenance booklet supplied with each engine or generator set.
- The use and maintenance of engines or generator sets are not in accordance with the instructions of Lombardini Marine shown in the use and maintenance booklet.
- Any tampering of the seals affixed by Lombardini Marine
- Fuel supply systems and fuel injection systems are damaged by unsuitable or polluted fuel.
- Electrical system failure is due to components not supplied or not installed by Lombardini Marine or installed in unsuitable environments.
- The engines or generator sets have been disassembled, repaired or altered by workshop not authorized by Lombardini Marine.

- You have not made the required service coupons as 36 months warranty booklet at authorized Lombardini Marine workshops or non-original parts have been used.

Upon expiration of 36 months period from the date of the commissioning coupon, if reports of any damage are not received directly or through authorized workshops, Lombardini Marine will be free from any liability and any obligations.
